

A diagram showing a 2D grid with a red border. The grid is divided into three vertical columns by two vertical red lines. The leftmost column contains a red text label '1/2'. The middle column is empty. The rightmost column contains a red text label '2/2'. A light red rectangular box highlights the leftmost column, extending from the top of the grid to the bottom, and slightly overlapping the middle column.

$1/2$

$2/2$
